Jane grew up in Buffalo, Missouri on a farm and her family later moved into the town of Buffalo where her family started Shewmaker Auto Parts. Little Janie Shewmaker's 1st job was selling door to door "Fashion Frocks," which explains her later life entrepreneurs skills! Jane was an excellent student and athlete.

Bob and Jane started their life together milking cows! Raising a family was a challenge as Bob and Jane had numerous businesses and were dealers in livestock-renting bulls! They also operated "Hale Fur Company", "Hales Wood Yard", "Hale Sportswear" and "Hale

Fireworks". In her spare time, Jane also worked at Buffalo Elementary School and was the PTA President. Jane also helped at the Dallas County Extension Center testing soil for the county. Later in life, Jane developed "Hales Crossing", "Time Out Café", "Bison Acres Flea Market" and "Flowerworks flowers and gifts" and was active with these businesses until her passing.

Jane was active in "Hale Fireworks" for 64 years and was affectionately known world-wide as the "Firecracker Lady." Jane was also instrumental in the inception of "Hale Real Estate" and "Hale Enterprise, LLC."

Jane was a published author of more than 30 books, short stories and poems. She was the President of the "Ozark Writers Guild." Jane with son Mitch has been active on the board of the "Ozark Writers Inc.," where Jane was the President. Jane wrote a weekly column for over 20 years in the voice of her childhood "Little Janie Shewmaker," which evolved into two published books, "Every Day is Father's Day" and "Every Day is Mother's Day." Jane wrote articles for "Springfield Magazine" and was given the honor of five cover stories for the magazine, one of which included Jane, granddaughters, Chayla and Cali and another that included granddaughter Chayla and niece Courtney Shewmaker. Jane stayed active with her writing over the years and won numerous writing awards, some of which were with her son Mitch.

Jane was the co-founder of the "Dallas County Alumni Association" in 1971, she and life-long committee members and friends, aka "her girls" developed numerous scholarships with fellow Alumni to further the education of Buffalo High School graduates. Year after year, this committee produces three pageants, "Miss Dallas County," "Mini Miss" and "Mini Master". For many years, the committee sponsored the Buffalo High School Carnival. This group also helped build the Alumni Headquarters building. For all her achievements with the schools and her community, Jane was elected into the "Dallas County Hall of Fame". On May 28, 1996, Jane was honored to help Dr. Tommy Macdonnell carry the Olympic Torch as it passed through St. Louis, Missouri. Jane wrote, "As Doctor Tommy and I were running amidst cheering crowds in St. Louis that day, he edged the torch my way. "I need help," he said. And suddenly I was carrying the torch! Later Jane found out that the man she nominated out of 2,500 nominations wasn't fatigued from carrying the torch, he just wanted her to be able to "share the moment of glory with him".

Jane loved her Time Out Café and her Sportswear store and traveled extensively with her fireworks family to many demos, shoot-outs and conventions throughout the United States.

Jane was a unique, one of a kind woman with a kind heart. Life was always more interesting with Jane around. She firmly believed if you dream it, you can achieve it! Her 85 year legacy proves that!

Jane was a loving wife, mother, grandmother and great grandmother. Jane was extremely proud of all four of her sons and her family was her greatest accomplishment. She was a

woman that enjoyed all aspects of life. Jane made an impact to a community, her schools, family and friends. To know her was to love her and if she loved you...you knew it! We celebrate her life and numerous accomplishments....she will never be forgotten, but will be greatly missed.

Funeral services will be conducted at 10:00 a.m. on Saturday, October 5, 2019 at the Buffalo First Baptist Church. Visitation will be from 5:30-9:00 p.m. Friday at the Church. “ A poem for Mrs. Jane Hale. A wonderful lady and blessed friend I have know for 42 years.

Why do angels fly, are they visible to my eyes?
I seen on I think sitting on edge of cloud, singing among the stars, sweet but not out loud
Is it their wings, or a matter of mind, maybe they're searching for a dream forgotten to find
I believe they watch me and you, they come us with love, understanding when we are blue
Words they speak without saying fall from above, a message sent on the wings of dove
I think they fly cause they have the faith, they teach me love, I feel cause I am safe
It will make sense to me, angels in heaven, forever and ever and by and by
Cause when I think of you Mrs. Hale, I'll know why angels fly.

“ I will always remember her as a very 'put together' Lady, and certainly admire her for starting a business out of the trunk of her car. To her entire family, I am so sorry for your loss. Our Community has lost an icon. I have witnessed her sense of humor and her genuine care for others.
