“ To Nancy,
So sorry to hear of the sudden loss of Al. We know he never wanted to leave you!
Al will be greatly missed. He was such a special and sweet person!
He always came by and had his coffee with us in the mornings, telling us his stories and sharing other interesting events of his backhoe experiences.

Al and Uncle Eldon always shared their stories of grandma and grandpa. And ALWAYS discussing politics and how to solve the problems of the world. Those are memories we will always hold dear to us!

And as Al would say, "Amen and pass the biscuits"

“ So sorry to hear about Al, great memories worked with him so many years at Lee Co. then later I worked at the employment office after the plant closed in Lebanon. We were all like family and we have lost so many of our friends through the years. Sorry I won't be able to attend his service but you will be in my thoughts and prayers.

Hugs to you Nancy and family.
