“ *I worked with Andy for several years and i can say that He was as true a person you could meet. He was the most excellent dozer clean up man i have ever seen. As we worked and grew to know each you knew right away he had a great love for his family and His farm. Every once in a while you have special people come into your life.. Andy was exactly that. I will miss Him temporarily but I know I will see Him again in Heaven. God Bless the Berry Family.*
