“ *Grandma was an amazing woman that I looked up to and loved dearly. She has taught me so much over the years and I know that I would not be the woman I am today if it weren't for her. She taught me so much about animals and flowers over the years that I will never forget. The last words she said to me was "Love you both" on her last Thanksgiving. I love you so much grandma and I miss you so much!!! Rest in peace!!!*

“ *It was a joy to meet Anna. I only knew her a short time but was blessed by her sweet spirit and her courage. I am thankful she had such a wonderful family who cared for her every need without complaint. May God richly bless those she has left behind during the next days and forever.
