

Anne Lorene McPherson

August 30, 1934 - May 21, 2024

Anne Lorene (Dotson) McPherson went to be with Jesus on Tuesday 21, 2024. She was born in Mount Judea, Arkansas on August 30, 1934, to Edna (Davis) Dotson and Roy B. Dotson.

Anne grew up with six brothers and sisters in Mount Judea. She always had a love for Jesus from a young age. She met James H. McPherson in March 1949, and they married on December 29, 1951. They moved to Akron, Ohio where their daughter Susan was born in 1952 and their son James Alan was born in 1954. Anne and James moved to Kansas City, Missouri in 1955 where their son John was born in 1955. They raised their children in the Kansas City area until 1969. They decided to buy a farm in Buffalo, Missouri and moved the family there in the fall of 1969. On August 29, 1974, Anne and James' son in law Terry Asher was killed in a car wreck. Anne and family gave their hearts and lives to Jesus. Anne and James were active in their church, working and helping wherever they could. In 1976 James and Anne owned and operated EXCEL Pest Control. Anne along with other ladies in the church made and sold peanut brittle for their church. Anne made other candies and goodies for her family who told her she should make and sell candies for a living. She opened her Annie's Candy Kitchen business and stocked stores in the Ozarks area. Throughout her life Anne was a very hard worker whether it was a job, raising funds for church, or making something with her own hands. James and Anne sold EXCEL Pest Control and closed the candy business and retired in

1998. They finally got to move to Arizona and the warm climate. Anne and James were active in their new church having garage sales, baking and candy making sales and other fundraisers to help their church. Anne and James loved traveling around Arizona and the other western states. They got to take trips overseas to visit Israel, South Korea, and Hawaii. In 2016 James passed away. In 2018 Anne's daughter and son in law, Susan, and Doug, retired and moved to Arizona to take care of her. In March 2021 they all moved back to Buffalo, Missouri.

“ Dearest Anne,

I thank you for being you. For being so many things to so many people. We have different interactions and experiences with everyone we meet, so we are unique to each person.

Even though we have not been close for many years, I feel blessed knowing you and having you as part of my life.

You have influenced me in a few fundamental ways. Visiting you and your family was always an exciting time for me. You always seemed cheerful, even when faced with adversity. You made me feel safe and loved and part of family.

Being around you from a young age; your actions, values, and faith have affected me, those effects have been to smooth off some of my rough edges, and reinforce the core values of our social human experience. Your subtle influence mixed with my life's experiences have made me who I am.

Part of you is reflected in me.

Sitting on our back patio drinking my coffee, looking at the birds in the bird bath, the flowers, the trees, the butterflies, I thank you for the role you played to allow me this NOW.

Consciously sending you Love from my heart and will continue to do so.

Your nephew,

Brian
