“ *Nell, I am at a loss for words. They can not begin to express all the feelings of loss, grief, sadness, and surprisingly joy, delight, and happiness. Your grandmother was a force to be reckoned with and a grand lady who set the standards high. As delicate as she appeared she was dynamite! I will forever hold her in my memory with a glass of champagne, a smile on her face, and music from the piano playing.*

“ I know she is rejoicing in heaven with so many of her loved ones who have gone on before. Ardinell was a beautiful lady inside and out. So proud she was my cousin. Sorry I am not able to attend the service. May God be with you and comfort you. Love, J.D. & Carol Ann Pilkenton
