“ Lynn was a wonderful guy, always smiling and happy, excited to be playing at Treasure Lake for me and our owners. His zest for life was phenomenal and he loved everyone he met. I loved his singing and he always wanted to make people smile, I am devastated by his passing. God bless Sharon and all his family and friends in this time, but Lynn knows they will be together again some day, and he is in Heaven. Prayers for peace and strength. Becky(Treasure Lake Activities Director). Love you Lynn!

“ I didn't know Arthur personally because I was several years older and left Dallas county to go in the army in 1965. I do know his mother and great uncle Joe Turner and other relatives. Sorry for your loss at his young age but there is only one eniety who knows when our time on earth is done and nothing a person does can change that date! Always remember the good times you had with Arthur and be at peace with his crossing over Jordan!

“ *Lynn was a good friend and classmate all through school. We grew up playing sports and played a lot of slow pitch softball after we got out of school. I will miss seeing him and laughing about the good old days when things were pretty simple. Droop could always bring back memories of us in ways to make me cry with laughter. Our thoughts and prayers are with the family during this time of loss. Ben and Dora Wallace*
