“ Hearing his testimony was always one of my favorites to hear. He told it over and over and it never changed a bit. He will be missed. Prayers for his friends and family.

“ Some of my best memories from my childhood are of visiting my Uncle Aubrey and Aunt Linda as well as getting to know my cousins. They are all such good people and my Uncle Aubrey always made me laugh, even when he probably wasn't always trying to be funny. Seeing how my aunt and uncle interacted with one another and their children really left an impression on me throughout my life. Knowing he is gone is truly heartbreaking. Much love and respect to my Uncle may he rest in peace with our Lord in Heaven. Mrs. Christie Hake (Walker)

“ *Aubrey and Linda have been wonderful neighbors over the years. But what is most special, is their love and wisdom that they have shared with our daughter Emily. Precious wonderful times. Aubrey has been like a grandfather to her that she never had. May God Bless and comfort his family. Thank you. Until we meet again in God's Glory.*
