

Bobbie Eugene Evans

December 14, 1958 - December 9, 2020

Bobbie Eugene Evans (Bob as everyone knew him) was born on December 14th 1958 in Lebanon Missouri. Bob was raised in several different areas of Missouri before settling in Marshfield where he graduated high school. He moved to Texas for a short time before coming home and embarking on a new venture with his sister and family. That venture was being a part of a little family owned and operated store just outside of the Bennett Spring State Park. Bob was the heart of that place. For the 32 years he was there, he made countless friends and tons of memories. Bob was a happy, fun presence, quick witted and always ready with a joke. He never married or had children biologically, but he did have his kids. His nieces and nephews were his kids. He and his sister were absolutely inseparable. He was vastly important and special to all who got the privilege to meet him and know him. He was the definition of selfless and would do anything for anyone. His favorite thing on earth to do was have his feet in the sand and walk along the calm oceans edge. He loved his family fiercely and was so loved in return. Bob left this life surrounded by his family on Wednesday morning, December 9th 2020. He left us way too soon. He will always be loved and will NEVER be forgotten. A celebration of life will be held on Thursday January 21, 2021 from 6 - 9 p.m. at the Gravel Bar & Grill at Sand Spring Resort with food provided. Cremation rites were accorded under the care and direction of the Cantlon-Otterness & Viets Funeral Home of Buffalo.

“ I was very saddened to hear about the passing of Bobby. He was one of my dearest friends. We gathered together often just to have fun, usually at Pat Bosch's house. Sometimes later when Bob rented a house from my parents we would gather there. There was always lots of laughter and music, and of course food. Those were the good old days. I always hoped someday I would see him again. I'm sure he will be missed by his family and many more down at Bennett Springs Park. I will always remember the fun times Bobby. Rest in peace Bobby. I know you will be missed by many.

“ Bobby hung out with my next door neighbor Jeff Neas and his friend Jerry Potter, then all my girl friends would drop by my house and it was an instant party. I can hear his machine gun laugh.
I'm glad I knew him. Pat Skinner Boshe

“ I have good memories of Bobby. In high school he was a sweet gentle soul, honest and kind. The family lived near us in the country near Marshfield. I remember visiting there where they had beautiful trails and grew plants in ingenious greenhouse boxes. I enjoyed in-depth conversations with his sisters on the school bus. It is wonderful he lived near Bennett Springs. I can visualize him loving that area. I am sorry he as passed. I care and my thoughts are with the family.

“ I graduated from high school with Bobbie, and he was a great friend. We were in theater productions together, and were both part of a group of friends who enjoyed driving to Springfield for pizza, or just cruising around Marshfield listening to music. I have wonderful memories of him, and am very sad to hear this news. My prayers and best wishes to his family and all who loved him. (Kathy Fillmer McHaney)

“ I had only known his for about A year just from stopping by the gas station on a daily basis but he never failed to have a smile for everyone he met. It didn't matter what was going on if we stopped by and he was there we were garaunteed to leave with a smile. He was a friend to everyone who passed through. It wont be the same not seeing his smiling face everyday and joking back and forth. He is greatly missed.
