SF

“ We thought the world of Carl and always appreciated his warm welcomes and sense of humor. He was a hard-working dedicated father who loved to hunt and fish with his kids. He will be missed but always thought of in a kind generous way. Prayers and thoughts go out to Carls family. To my two nephews - Daniel and Christopher and my niece Rebecca - always remember we love you and that your Daddy will live forever in your hearts. Lord, bless this family and comfort them during this difficult time.
