“ *Lucila, what a beautiful tribute to your Abuela! I will certainly be generous with my smiles today. I understand your sadness; I was very close to my grandmother who was full of smiles and laughter who died in 2001. She was my matron of honor in my wedding and held on to her life until she met my first baby, Maddie. She literally died the next day I still miss her and think of her every day. My heart is wrapped around you today!Darcy*

“ May God Bless and comfort you in your time of sorrow. Cashton has touched so many lives in his short time here on earth. Your faith in God has been an inspiration to so many. Sometimes it is hard to understand God's will, but we know Cashton is safe in the arms of Jesus and we will see him again someday. When I found out about Cashton's passing today, all I could do is think about Jesus holding him and rocking him. You are in our thoughts and prayers and thank you for sharing your beautiful baby boy with me! Love, Louise
