

Chevelle Rose Anderson

December 27, 2016 - December 6, 2020

Chevelle Rose Anderson was born on December 27th, 2016 in Monett, Missouri. She passed away peacefully in her mother's arms on December 6th, 2020 just short of her 4th birthday.

Chevelle spent the last year of her short life battling DIPG and was a fighter until the end. Though her time with family was short she touched many lives and was deeply loved by those around her. Her family cherishes her memory as the brief gift it was.

Chevelle is survived by her loving parents, Catina & Jennifer Anderson, her grandparents, Larry & Gayla Anderson of Buffalo, Missouri and Jerry & Theresa Jones of Houston, Missouri. Also surviving are brothers Mark Pounds, Ryan, Waylen and Jaxsen Anderson. Sisters Anna Johnson & husband James, Alexis Shoults & husband Ernie, and Brelee Anderson. Many other aunts, uncles, and cousins as well as a host of loving family and friends including the Johnson Family.

Chevelle, known as Love Bug, had a light that shined so bright. She touched the lives of so many with her smile and outgoing personality. She kept everyone in line and watched over her brothers and sisters. She leaves us smiling through our tears and full of wonderful memories. She was truly an angel on this earth and will forever be in our hearts.

“ I followed her story and she touched my life. She was brave and full of life until the end. I know she is in the arms of Jesus now and pain free. I can see her running around and playing like all 3 year old should be. Rest In Peace sweet baby girl you are free from this horrible disease.

“ Chevy stole my heart from the minute I saw her and read her story. Our family knows all too well the pain, sorrow, and devastation that DIPG brings. We grew to love LoveBug.
