“ To Chyre's family, my absolute heart-felt condolences! As hard as it will be, celebrate her life. I have no doubt that is what she would want for you all.

Chyre, I will absolutely miss our chats, jokes, laughing with you or at you at times, and the same in reverse with or at me. Your laughter was so contagious! You always told me that you were a year younger than me and joked about me "being old". Now, today, I find out you were older than me. You got me, even now. Thank you for letting me vent, thank you for pointing me to Christa, thank you for putting up with me for 21 years, thank you for all the laughs and thank you for being my friend.

I will miss you, but I am so grateful that I got to know you! Love you "Chyra".

*Sincerely,
Robin @ QPS*
