“ I have so many memories of my Dear friend Cyndi. Here are a few. We had a lot of good times together and when we were able we had a lot of fun and laughs and a few cries together as well. I will always miss her and still think about calling her only to remember I can't do that any more. I know her family was her world and she loved nothing more than having them all together on the Holidays and cooking for them and trying to please all of them. She we always have a special place in my heart. Until we meet again I know you will be enjoying time with all of your loved ones who are living Gods promise of eternal life. Love you my Bestie and thank you for always being there for me when I needed you. 🙏❤️🙏
