“ *So sorry to his family & friends for your loss! I wasn't around Dan a whole lot but when I was he made me laugh. One fond memory I have of him was when we had my Mom's (Judy (Steinbeck) Richardson) 50th birthday party at Maple Street Grill. He came in to the restaurant that evening & joined right in with the fun & dancing. We all had such a great time that night & he was a part of the fun!*

“ *I was privileged to get to work with Danny for many years. I knew him as Burnit before we worked together. I knew him as Tugboat while working with him. Whatever name he was known by, he will always be remembered by that smile, and the ability to bring a smile to others. Thanks for your friendship throughout this life here on Earth Tug. You will be missed by many many people, but never forgotten* ❤️

“ *He was the best most amazing uncle a girl could ever hope for. He walked into a room and it would light up. He was loving and caring and so goofy. Made me laugh when I was crying. He loved me to the moon and back and would do anything for me. He definitely loves babies. His smile would just light up the world when he holds a baby. I love you uncle Dan so so so much. I hope your dancing in the sky. 🥰 love sheenie*
