“ Uncle Dennis will be greatly missed by all, but he will never be forgotten as his memories will linger. He is now in the land of our savior and accompanied by the many whom he has traveled the path before him. Till we meet again Uncle Dennis.
My favorite memory of him is when we visited you guys in CA, and that handle bar mustache. That was when we took a train down and mom bought that ship artwork to bring back on the train what a nightmare. It was also fun coming out at Christmas time to see you as well!
Big hugs to you all know Uncle Dwight and I are here if there is anything, as we join you in thoughts and prayers.
