“ I will always love and miss you Uncle Donnie. I remember when I was little and you and Johnnie always made me feel important.. You guys where 16 and always made things fun, hide and seek was so fun with y'all even though I always cheated and hid next to the base cause y'all was to fast, you guys would take us to the live stock auction's, you guys even took lashes from the coffee pot cord for taking us to the auction for not telling Granny and she thought we had been kidnapped, and the time you held the raccoon still so I could pet it, all cause I was crying cause I wanted it for a pet, knowing now that you and I could have gotten ripped apart .. Zella I am so sorry for you and the kids.. He really is one of the great one's.. My heart is broken..
