“ I don't even know where to start with the memories. Uncle Donald and Aunt Margie were a huge part of my childhood. So many weekends spent at the farm on the river. Us kids playing outside for hours on end. The adults playing cards until all hours of the night. The home cooked meals with the family all gathered around the huge table.

Donald will forever be part of my memories. I am grateful that we were family. My prayers go out to the kids and grandkids during this time. My heart hurts for all of you right now.

“ Uncle Donald will forever be in my memories and in my heart. My mom and dad spent countless weekends at Margie and Donald's house playing cards and eating wonderful home cooked meals. My sister and I would run around and play with their boys. Life on the river seemed so laid back. Now Margie and Donald are together again. Wonderful people who would do anything for anybody. He will be missed by many.

“ I have many fond memories of summer visits to the farm when I was a kid. Donald treated me just like one of his own. I have some of my most cherished memories on the farm as a kid. Margie and Donald were always welcoming and always willing to teach me things that most city kids never get a chance to learn.

*I am so grateful we were able to come visit with Don before he passed. He and Margie will forever be in my heart.*

*Condolences and prayers for comfort and strength and peace to all the family during this difficult time.*
