“ My wife, Gail and I have enjoyed her company for the last 20 years that she lived with us. It gave us the chance to really know her and found out what a wonderful person she really is. We are so proud to call her (mom). She is definitely one of a kind and we could only hope that some day we could become at least half of the caring, wonderful person she is. We would be happy to do it all over again. MOM , your loving, caring work here on earth is done. Go rest high on the mountain. We can't wait till we meet again and get to spend eternity with you and Larry. Till then Love Always, Your Son-in-Law Michael Dean Louisburg, Mo
