“ *Dorothy was in my class at Buffalo High School. I remember her fondly. I saw Dorothy and Buster on a few occasions in the late 1990s while attending First Christian Church in Buffalo with my mother.*

My thoughts and prayers are with you. Mothers are with us long after they have departed this world.

“ Dear Sharon,

Since I have no address for you to send a card or note, I hoped maybe I could reach you this way. I wanted you to know how very sorry I am to learn of your mother's death. It's always very difficult for family to lose someone so special. It's been over 20 years since my mother's death, and I still think of her often.

I remember the good times you and I had in years past. I'm praying that things are good for you. I am keeping you in my prayers in the loss of your mother.
