“ *Doug was one of my very first childhood friends. We met at Daly Elementary School in Fayette, Missouri in 2nd or 3rd grade and became fast friends. We thought it was cool that we had the same last name. I was sad when he moved away. I've always remembered him. Somewhere, I still have the wooden peg game he gave me when he moved away. I only just found out he passed away purely by chance. I was sorry to hear of his passing. eric.moyer@gmail.com*
