

Dustin Lee Dryer

August 8, 1985 - November 15, 2018

Dustin Lee Dryer, son of Terry Louise Smith Dryer and Vernon Lee Dryer Jr. Born on August 8th, 1985, in Stormont Memorial Hospital in Topeka Kansas. At the time of his passing he was 33 yrs. old & living with a dear friend and his wife.

No matter where he worked, he would work as hard or harder than anyone, you could always count on Dustin to do his job very well. He didn't have much handed to him but if he wanted it, he would work hard at that too.

He was a devoted Brother and Son. If anyone needed him, he would be there. Dustin had a very big heart. You can ask anybody. Dustin had a like for Lottery tickets he rarely didn't have at least one in his pocket. He also loved to spend his free time drawing, he had a notebook full of drawings he was very proud of and would show them off to anyone that would look at them. Dustin had an 18-speed mountain bike that he cherished very much. On his days off work you could usually find him playing video games, he was a huge gamer. Dustin enjoyed playing video games with friends and his brother Douglas. He loved his rock and roll, you could almost always find him listening to Pink Floyd and chilling out. He had a wide variety of movies and comic books he liked. He also enjoyed football, tried hard to watch it every Sunday.

Dustin loved his family and friends and was loved by so many. He was taken too early but not before he made a bunch of memories. He will be loved and missed more than he will ever know.
