“ *We hate to lose our Mothers. And we are becoming the older generation and i guess that never entered my mind that it would happen. I loved your Mother and I hate losing her and all our Mothers in the Church. But they are SO better off, just sometime I wish I could talk to them. Someday. May God bless and comfor you all.*

“ I will miss Aunt Eida so much. She was always so fun. Her laugh is what I remember most and will never forget. What a kind and generous woman. My Mom loved her so much. I feel blessed to be her niece. Believing God will send the great Comforter to your side at this time. Love to you all.
