“ Ann was like a Mom to me. Growing up she was always a part of my life. She was the coolest bus driver ever. She is the reason I am a school bus driver today. She had a big heart and loved the kids on her bus so much. She has my vote for best dressed bus driver ever. She will always have a special place in my heart. I have so many good memories. Bye Mom I love you. I'll see you in Heaven

“ Lost my best friend of 43 years. Will miss being with you at the Bells.
Loved your little dance you always did when you came into the store and waltz around
saying hello to everyone...what memories we have. You will be so missed!

“ Annie was a very regal lady. She never met a stranger. She was always well dressed and had her bling on. A true person to have as a model to follow.
