“ *This is Sally (Muller) Brown, I did not know Emma, But I did know her twin sister Pauline! Pauline was my High School Teacher at the new Skyline School-in 1958, my senior year and later when she was working in Osceola Sinclair CO at the Extension Office, I was filling in at the Pist office there and we had many lunches and Visits! My deepest sympathy to your Family, I'm sure Emma was as sweet as Pauline!*
