Emogene was a special person and we loved being around here. We will miss her laugh and smiles, but know that she is in heaven and enjoying no pain, etc. Can't wait until we get to join her. May God Bless you during these difficult days. The Wayne Anderson Family.

“ I was so sorry to hear of Emogene's passing. I always enjoyed visiting with her at the reunions. She will definitely be missed at the reunion but she is having her own glad reunion day with the Lord. I will not be able to come to the service but you folks are in my heart and prayers during this time. God be with you. Paula Anderson Mulherin & family

“ Lisa, I am so sorry. I had no idea your mom was this sick. I know exactly how you feel. It is very very hard. You are never ready to loose your mom. My thoughts and prayers are with you. I wish I could be there. I will see you when you get back.
