“ Our Thoughts are with each of you on this unexpected tragedy. But try to remember there is a greater power that thought he was needed way before his time on this earth. He will be greatly missed but his memories will last forever. Take Care of each other today and always

“ Gary was like a brother..and one of my best friends. We go way back...I will miss him "big time". Dancing and Leonard Skynerd!! I will miss his weekly phone calls and visits...we sure solved the world's problems!!! He was good to everyone he met and I never heard him put anyone down. He leaves a hole in our heart, but I'm sure he would want us to remember the good times....
