

## Mr. Gene Duane Tindell

February 15, 1957 - June 13, 2018

Gene was born to Fred J. Tindell and Pauletta M. (Wilson) Tindell on February 15, 1957 in Stockton California and passed away in the comfort of his home on June 13, 2018.

As a child Gene was a cub scout in Lodie, California until the family moved to Missouri. Gene had a love of the outdoors. When driving by his house you can see the many colorful flower gardens he took care of with expertise and love. Gene inherited his mother's green thumb for sure.

Gene had a love for his cats Ginger, Callie and Socks who kept him company daily and agreed to share the house with him as well. Gene enjoyed watching the many different wildlife creatures he had visiting his yard on a daily basis. If you catch yourself on his porch you will be visited by the many hummingbirds he enjoyed as well.

Gene has always been known for his strong work ethic working for Fiasco in Eldon Missouri for 17 years. Once Gene retired from there he decided to go back to work at Ross in Osage Beach, Missouri up until the present. You could always count on Genes easy going & unique personality and his big smile.

Gene is survived by two siblings, Fred R. (Linda) Tindell of Millersburg Missouri and Sandra K. Blakemore of Moberly Missouri. He also leaves behind nieces, nephews, cousins and co-workers who he also considered his family who will all truly miss him.
