“ It was a shock for me to read she has passed!! I knew her from the Buffalo Garden Club when she and her mom joined. They both were a blessing to know. Geneva was a Gem. I so enjoyed seeing her around Buffalo and we would chat for a bit. Sharing many things in every chance meeting we had. She will be with the ones she missed an loved.

“ I can only say shocking. She was a friend in school that four other girls and she traveled the city in my car. Always together.... We lost touch until about 5 years ago. Then life stories fill our group. It makes you realize how short we have and how much we have shared. Peace of God be with you.

“ When I think of Geneva, I smile. She was beautiful, smart , had the most gorgeous red hair and above all she was kind. I am bewildered by her death because she was so full of life. Peace be with her family. God speed Geneva.
