“ Dear Layne, I miss you. Rest easy Dear One. You left me with so many memories. Thank you for having me be a part of your life. You were such a loving, caring man to your family and friends. I have never known anyone else with such a longing for life and it's journey. And if you couldn't stay, you looked forward to your next journey, Heaven. Thank you for including me in your life. We shared so much. You say I brought the music and light back into your life. I'm so glad. I know your song sang again and beautifully. You brought many people to smiles and tears with your heartfelt story songs. Your peace songs were so great. What else would we ask of "the Peaceman"? Right. Your books were so good. You wrote with such honesty and heart. I remember how excited and happy you were when you made it come out and say just what you wanted it to. I loved you to be happy. Layne, you will be remembered. You are now with the arms of the Greatest Love of All. But I will forever miss you.,...
