“ I've known Ida since I was 17 yrs old & been friends 66 yrs. We've both worked at the same jobs. So many connections in our life to mention. She was the best friend you could have. Always happy & laughing. Never a negative person. Everyone she came in contact with loved her. Thankful for the time I've been able to spend with since her illness. My children & I loved her very much & will miss her! June
