“ I had the pleasure of being a CNA to Iva in Hermitage.  
Our love for chocolate was something we shared.  
Her little laughs when she could hear her roommate giving me a  
hard time always put a smile on my face. oh and we can't forget a  
cup of hot chocolate with breakfast, lunch and dinner. She had a  
heart of gold and will be missed 🧡

“ Grams, we are going to miss you so very much. It helps knowing you are now free of all this and up there with Jesus. I can only imagine the party going on up there! It helps me also knowing you are there with my Timken. I love you so, so much Grams! I know you know that and I know how much you love us girls. Thank you for showing us how to be strong, loving women. Thank you for being my grammy, God blessed us with you for sure, but he wanted you to come home to him now. We love and adore you...

“ When I was a teenager my worked at a place called Dove senior citizens home. She got my mom the job. Sometimes I would go there after school and she taught me so many things about caring for the elderly. She showed compassion patients and love to everyone she knew! She will be gratefully missed. It was a pleasure to float at the Berry Access on the Niangua River
