“ Jackie, it's been a little over 6 months without you in my life, I miss you every second of every minute, and every minute of every hour etc. you meant more to me than I could've ever imagined thank you for making my life so special while you were here I truly wouldn't be the person I am today without you.. Thanks to all the great memories we had together whether it be during horse pulls, cattle shows, pig shows, or even just at yours and Robert's house it was the best memories of my life and I'll remember them forever. You felt like a mom to me and even if you aren't my mom you'll always be a mom to us kids and Ranae❤️ I'll reunite with you one day, and that'll be the best day of my new life. Nothings the same without you here, it makes everything so much harder to do in life.. if I could make one wish in my entire life it would be to bring you back home to the farm. Everyone needs you, but I gotta keep reminding myself that your in a better place with your mom and I bet you to are having so much fun with the horses❤️ One of my favorite memories from all the memories we made was every time id win showmanship, and you would always give me a high five or letting me know how proud you were of me, and in my option that's better than any prize❤️ I hope your having the time of your life in heaven! Your truly loved and missed by everyone down here! Btw JoJo says she misses you to.. I love, and miss you Jackie!!❤️🥹
