

Jason Brian Fink

December 30, 1971 - December 27, 2023

Jason Brian Fink, son of James and Doris (Carpenter) Fink, was born on December 30, 1971, in St. Louis, Missouri and departed this life on December 27, 2023, at his home near Urbana, Missouri. At the time of his passing, he was 51 years, 11 months, and 26 days of age.

Jason grew up and graduated from high school in St. Louis. He was united in marriage to Kerry Palmer in 2001 and they moved to Urbana, Missouri in 2009. Jason graduated from the autobody course at the Vo-Tech School in Louisburg. He opened an autobody and boat repair business at Lake of the Ozarks. He operated the business there for 17 years before moving the business to his home. Jason truly enjoyed his career and made the most out of each day. Cars were his passion, specifically the classic muscle car. He also enjoyed riding motorcycles, and racing cars. Jason loved animals, and his beloved pups Charlie and Bruno always accompanied him in the shop. Jason was looking forward to working with his son Kaine, helping to build his first car.

Jason enjoyed spending time farming with his grandparents on the family farm. He enjoyed the hay season with his wife as they together put up the hay crop. He loved to take pictures of cattle out in the fields with the beautiful country sky in the background. He also enjoyed mowing his lawn, spending hours making it look just right. Jason was very much looking forward to retirement and spending some quiet and quality time with his family.

Jason is survived by his wife Kerry of the home; one son, Kaine; two

daughters, Autumn and Madison; and his parents, James and Dorris Fink of Lake of the Ozarks. He also leaves other family members and many friends who will all truly miss him.

Services will be held at 2:00 p.m. on Saturday, January 6, 2024, in the Cantlon-Otterness & Viets Funeral Home in Urbana with Visitation one hour prior. In lieu of flowers, donations can be made to the family for his headstone.

“ Jason was one of the sweetest most caring men anyone would be blessed to know. He was always smiling and ready to help in any way he could. He helped me surprise my husband with a very cool custom golf cart (back in the day) and had it delivered to our house to surprise him. We send love, hugs and prayers! Always in our hearts, Marvin & Renee´
