“ So sorry to hear about Jessie. I considered her my friend. She had a wonderful personality and was always friendly and interested in what I was doing. I have saved several cards she sent me over the years. She had such beautiful handwriting that I hated to throw them away. One of my memories is when we used to ride the OATS bus to Springfield and go to the mall. We shopped at Sears and had lunch in the food court.

Lots of visiting and laughing. Rest in Peace, Jessie. Much sympathy and prayers go out to Judy and all her family. Judy O
