

## Mr. Jimmy Carter

June 21, 1954 - January 18, 2018

Dear Friends and Family,

A lifetime of love, laughter, music, generosity, service, craftsmanship, travel, teaching, and philanthropy has been passed down a generation for us to carry on.

Please join us in celebrating the life of Jimmy Carter.

An outdoor community potluck will be held at the family farm Saturday, June 23rd at around 5PM.

81 Hopper Trail, Urbana MO 65767

Although he very much wanted to be a present part of what will hopefully be a reflection of his most proudly valued interests, this gathering of family, friends, and community around a shared meal, music, and memories will hopefully honor his last request to the best of our abilities in his absence.

Come with a dish if you are so inclined, or a drink if you prefer to celebrate on dad's terms. ;)

We'll line up a potluck on the old hay wagon, and listen to some favorite songs as the sun sets on this chapter.

Bring the kids, the four wheelers, horses, fishing poles, your old guitars, fiddles, and stories too.

All are welcome,  
in loving memory,

Delsin & Renate
