“ *Joan was one of the nicest people I have ever known. We worked together at Zenith for years she was funny, honest, a great worker, and if she was your friend, she had your back. We have continued to be friends for the last 35 years we have continued to keep in touch, if you had joy in your life she was happy for you if you had sadness in your life she truly cared. I will miss her so much. I will miss her laugh, and her caring ways, if she was your friend, she was a true one. Love you Joan! Rest in peace. Your friend Faye Phillips*
