“ This is my grandpa "Jack" as we called him. I FIND it absolutely mind blowing, after the life he lived, all that he did FOR others on the drop of A dime, and all his wisdom and knowledge this man pASSED Down...that NOT ONE OF YOU, except me, the shunned.and black sheep, felt enough love or obligation to say two words about this. great , inspiring, intelligent man who, I'm very proud to call my grandfather. He rambled, yes, lost his silly eye glasses, ON HIS HEAD, LOL, HEWAS ONE OF AMERICAS VALUABLE FARMERS, and never did I ever see an angrier champion track runner like him when he was chasing our baby coyotes across the yard that had stolen a full LOAF of bread from his hands just to lay on it.lol...but he was also a foundation of security, solution to the unknown, a hope in the darkness. A laugh through our tears, and an inspiration when we wanted to quit. He was a loving , selfless father and grandparent to many, even some not of his actual blood decent. Hewas a memory we won't ever forget and the smell of his corn cob customized pipe tobacco (vanilla and cherry) will linger in our lives for the rest of our time here. I love an miss you grandpa MAD J AK 🥺☐ IM HONORED TO HAVE CAME OUT OF YOUR EXISTANCE. LOVE BRANDI DAWN
