“ My condolences to Johnny’s family. I cherished his and Glenda’s friendship. I met them through my sister Weltha Harris Clayton. He was a very kind and loving man. I just found out about his passing. I left for South Dakota and Wales last June and just got back not long ago. He was a lot of fun and so interesting to talk with. I loved to listen to him play his instruments and sing. I have precious memories of visiting Johnny and Glenda. I know he is at peace but I also know his family and friends miss him dearly. I’m blessed to have known him and to have the pleasure of his friendship. My love to his family.
