“ *I will miss you my dear friend, I will always remember the good times we had, in C.A.P., going out camping, hunting and fishing. After High School we drifted apart, as we each forged ahead on the path of our lives. I was planning on coming back in the spring for a visit.*

“ Words cannot express the sorrow I feel and the sympathy I have for the entire family for the loss of Jon. My memories of Jon as a little boy and growing up will never be forgotten - like the time, while unhooking the catfish he had just caught, him squeezing the fish so hard it pooped all over both of us. I can still hear his laughter. I pray each of you are given strength to get past the sorrow to allow healing through the laughter of your memories.
