“ My name is Robin Scott, I worked with Judy at the gas company in Lebanon. Every holiday season I think of her and her delicious Sugar Cookies. Even now having not seen her in many years and after moving 2 states away, I have a few gifts and many memories from her friendship. Just today I thought to search for her and Alan and this memorial was the first information that came up. She was a jewel and I am sorry for your great loss of this special lady. She will always be carried in my heart and remembered as a great Coworker and Friend.

“ My Aunt Judy. I have always loved your laugh, admired your passion for your dogs, and I loved to hear your stories of your work at Cotty College (that goes a ways back!). We had a great time meeting up with you at the bar in Ravenna. Lots of laughs and sharing of pictures which your quickly whipped out of your purse. My love and prayers to all that love miss my Aunt Judy. I love you and will see you again.
