

Lacey Ann Stadler

September 10, 1990 - November 20, 2022

Lacey Ann Stadler of Hamilton, MO, was born September 10, 1990, in Springfield, MO, and passed from this life on Sunday, November 20, 2022. On January 10, 2020, she married the love of her life, Levi Benjamin. While they made their home in Hamilton, they would often travel around the United States working together and visiting the natural wonders of our country. Her happiest moments were spending time with Levi and their children, whom she deeply loved and cherished. She was Levi's partner in all they did: family, home and work.

Lacey had an unceasing zest for life, and a deep thirst for learning. She was, in her children's words, "The BEST Mom." She was always open to learning, growing and was committed to creating a better life for her and those she loved. She knew how to forgive and she knew how to love deeply. She brought joy when she walked into a room and never took for granted the life that she and Levi were building together.

Lacey is survived by her husband, Levi, and all of the children of their blended family: Kylee, Aiden, Zachary, Kimberly, McKenna, and Moses; her mother, Kim Owens, and stepfather, Darryl; sisters, Landry and Julia. She also leaves behind a large extended family and many friends. While we celebrate Lacey's life and will sorely miss her, we know her spirit and her love still lives on within us. She will be in our hearts forever.

Memorial services will be held at 10:00 a.m. on Wednesday, December 7, 2022 in the Cantlon-Otterness & Viets Funeral Home with Bro. Bruce

Compton officiating. Visitation will be from 6:00-8:00 p.m. Tuesday at the Funeral Home. The family appreciates all the love and prayers received.

“ I miss you mom I'm kinda lost rn I wish you were here i miss everyone man the second you died I got taken away from everything I've ever known and I'm just confused rn lg but it feels like I started a new life bc I have nothing from the past and I miss it so much. I'll never understand what lesson could possibly be learned from a loss of you, most people when they lose someone learn something about themselves or improve over time but I just don't think that's the case with me.
