“ I am so proud of you, little sis! There was so much to learn from you about living and loving. You were an amazing force to reckon with. Life with you was always at full tilt, full of love and lots of laughter. I was always surprised at your rare "beauty of heart" to love so unconditionally. You never failed to give big hugs at every opportunity and make all of us aware of how much you cared.

*I keep asking "why", but I know that you earned your place in heaven, many times over. You are so irreplaceable and I will forever love and miss you!*
