“ I worked at her doctor's office. When I had my baby girl, she gave me a blanket. I cherish it, and always will. She was a beautiful soul.

“ I met Lisa at the Senior Ctr in Buffalo.  
She was a remarkable lady & a very giving person.  
Making quilts, crochet & knit items to help where they were needed.  
I feel so privileged to have had her in my life but no doubt about it  
her & Velma Jensen is busy  
rejoicing & probably crocheting .  
Rest in peace my friend. I will miss our calls. ❤️
