“ Dear Ron, Sue and Families,

I am sorry I couldn't come to Pansy's service but I wanted to tell you how sorry I am for the sorrow her passing brings.

My fondest memory would be a recent one. Sue brought Pansy to visit Mom at Marsha Lynn's home and I was lucky enough to be there at the time. What a sight those two "sisters" made, sitting on the couch like to young girls, whispering to each other (and neither one could hear worth a darn!). Somehow they knew what the other had said even though we practically had to yell at them to make them understand what we said to them.

I know that they shared many of life's good and bad times together and no matter what their love for each other endured.
