

Patsy Jean Durrington

March 26, 1941 - November 30, 2020

Patsy Jean (Wilson) Durrington of Louisburg passed away on November 30, 2020 after a long battle with Diabetes and Kidney disease. She was born March 26, 1941 in Buffalo, MO, the 7th of 8 children born to James Monroe and Martha Monervia (Pruett) Wilson.

Patsy attended White Palace and Buffalo High School, graduating in 1958. She was united in marriage to Everett Durrington on March 4, 1960 at Buffalo. To this union, two sons were born, Doug and Greg. She was saved and baptized at an early age and was a long-time member of the Buffalo Bible Baptist Church.

Patsy and Everett first made their home in Wichita, KS while Everett worked for Boeing and other aircraft manufacturers. Wishing to get away from city life and be closer to family, in 1966 they purchased the farm at Louisburg, moving there permanently in 1968. Patsy worked for the Dallas County R1 School District for 39 years, from 1971 until 2010, retiring only because of her health. If not for her health issues, she would have continued to work as she so enjoyed working with the kids every day. Patsy enjoyed spending time at every opportunity with family, especially her grandchildren. She loved to have dinner with family, often preparing the entire meal herself until her health no longer allowed. She also enjoyed working on wood crafts, watching major league baseball, and watching college and professional basketball.

Patsy was preceded in death by her parents; three brothers; and two sisters. She is survived by her husband of 60 years, Everett; two sons, Doug & wife

Pam and Greg & wife Brenda two grandsons; one granddaughter; three great-grandchildren; three great-great-grandchildren; one stepdaughter, Dolores; one brother; and one sister. She also leaves many nieces, nephews and friends who will all truly miss her.

“ Patsy Jean was the seventh child
In the Jim and Nervie Wilson family,
She was petite, and cute as a pixie doll,
Always had a big smile on her face and a twinkle in her eye.
You could tell she was always thinking!
Patsy was only two when she was told she had a little sister!
No longer the youngest, she had someone to look out for!
As they grew they became best of friends & partners in crime.
White Palace was the one room school they attended.
One year their oldest sister Mary was their teacher,
After a year of having four of her siblings in that one room class,
Mary said she would never teach again!
Patsy was smart as a whip, and liked to go to school,
but little sister Sue didn't feel the same way.
It is told that Patsy would even do her homework from time to time!
Being the next to oldest niece, I loved to tag along behind them
I really idolized my aunts, they seemed like big sisters to me!
After they graduated from high school,
Patsy fell in love with Everett & was still together after 60 years!
Patsy loved children that was easy to see by the way
she loved and played with with her nieces & nephews.
When she became a Mother that was her greatest joy!
Doug Durrington and Gregory Durrington, you two made her life
complete! Well almost!
There were grandchildren to upstage the two of you!
Being a Grandmother made her happy as can be!
Patsy's love for children was seen by her dedication as
She worked in education for 39 years of her life.
Her talents were many, cooking, crafts, and beautiful writing.
As anyone in the family will tell you,
her molasses cookies were the best!
I will miss her laugh, and her warm caring ways,
I just wanted to share what Patsy meant in my life.
A tribute to a life well lived and to a woman loved by many.
Her faith was part of the Pasty I knew. I pray for
God to comfort your family and give you peace

Because you know she is in a better place.
