“ We are so saddened to hear of Pepper's passing. We really thought highly of him having met you and Pepper on a bus travel trip a few years ago. Wayne and I both have such wonderful memories in visiting during this trip and after too. Pauline, may you have such wonderful memories that were shared in your life together. It was apparent to us that Pepper thought the world of you and you of him. We wanted to let you know we are thinking of you and sharing in grief of Pepper's death. Friends, Wayne & Marilyn Marshall
