“ A note of sadness and sorrow from Bob and Nancy (deceased 10 Apr 2014), recalling the growing up years through HS days of Sue, Ricky and Terry. The summer trips to visit GMa Good while Bob was at summer AFT with the NG, the camping trip to Pom De Terre lake, the speed boat, the race cars at Bethany... motorcycles... those were the years. Altho contact and visits spread thin as the years passed, the memories linger fresh in mind. There will forever be the "peace that passeth understanding, down in my heart".
