“ *My deepest sympathy to the Williams family on your loss. I will always cherish the time spent with Sam and love his stories of the family, military, and while teaching school. He truly loved teaching. I will miss not seeing him on next visits to Missouri . He will truly be missed. He is at peace now. My prayers and thoughts are with you all during this difficult time.*

“ In the event that I can not make it, know that your all in our hearts and prayers. I just wanted to say thank you for sharing him with me, what little I was able to meet him. Listening to Joyce's stories, I know he must have been a fun loving Daddy. Love you all very much, knowing that Bee is our glue and our friendship the string that makes us all family. Sincerely with love, Becky
