“ *Shane Thurman was my Dad. I never got the time to spend with him. My mom took me away when I was just a few months old . I managed to leave Texas at 18 to find him, I wanted to know he was there. We shared laughs and memories I can't even imagine what it would be like with out him...but here we are. Now I have to remember him, longer than I've known him. I only had three years with him but he proved my mother wrong about him. He was a great man. I love you Daddy. Rest easy. ❤️❤️🥺*

“ I love ya cuz! Say hi to grandma. I'll always remember sliding down the stairs, hanging on the edge of the pool, our secrets, and all of our laughs. You were more than my cousin. You were my brother. Rest easy. You won't be forgotten.
